Princeton Theological Seminary
Office of Student Counseling, Department of Student
Life

Dear Colleagues:

On behalf of the Princeton Theological Seminary community, I am writing to extend my gratitude for the quality of care you provide to our students.

Our students come to Seminary for a variety of reasons. Some have a clear sense of call to congregational ministry, others feel called to other ministries in service to the church, some feel called to vocations in academia, while others feel called to seminary and further discernment.

physical wounds. We are deeply grateful for the safe spaces you provide our students as they seek to weave the pieces of their lives into a meaningful and coherent whole.
