Princeton University Pool at Dillon Gym

Princeton Theological Seminary students receive the Princeton University Faculty/Staff rate for purchasing a gym membership. The current half-year membership would be \$145, and it would be valid until June 30th. Next year's full- and half-year memberships will go on sale beginning July 1st. They do not have the rates for next year yet, however they should remain similar to this year's rates (a full-year membership was \$220).

A gym membership provides access to Dillon Gym – the basketball and squash courts, Stephens Fitness Center, and pool. A gym membership is also required in order to register for most classes that occur in Dillon Gym. The membership also provides access to DeNunzio Pool, Baker Rink, and the indoor track in Jadwin Gym during scheduled times; however the availabilities for all of these venues is typically very limited due to all of the activities that take place there.

Memberships can be purchased in person at Dillon Gym or online. Once a PTS student creates their account they will need to send a copy of their PTS ID to rec@princeton.edu in order to have their status changed to "affiliate" before they will receive the correct pricing.
